

Up the creek with a paddle.

A breast cancer diagnosis hasn't stopped any of these amazing ladies. The repetitive motion required for dragon boat paddling has numerous benefits for people who've had their lymph nodes removed. That's why the Amazons Perth Dragon Boat Club began in 2000. Today it's 47 strong and, thanks to a Lotterywest grant, they've recently purchased their own life jackets, paddles and boat which, of course, is bright pink. **Everyday people win.**
